

Computer Arabia Achieves Prestigious ISO 9001:2015 Certification

Computer Arabia is proud to announce achieving the prestigious ISO 9001:2015 certification in its quest for quality & excellence. Computer Arabia's ISO 9001:2015 certification demonstrates our commitment for quality, customer satisfaction and continuous improvement. This achievement is inspired by our care for quality in serving our valued customers who are our most important asset. We thank all our customers, principals, vendors and employees who have been the most important part of our journey in successfully reaching this milestone.
